TASTING NOTE

Very intense ruby red color, the nose reveals intense and clean scents of very ripe cherry, black cherry, wild berries followed by fresh and slightly spicy tones. In the mouth it is dry and soft at the same time, enveloping and of great balance thanks to the excellent balance between acidity and tannins. The whole tasting is embellished with a very pleasant tannic texture, which fades towards a finish of excellent persistence, with light hints of red fruit.

VINTAGE 2015

2015 was characterized by climatic excesses that subjected the vine to considerable stress. Winter has passed with high temperatures. The flowering between the end of May and the first week of June involved all the varieties, therefore in advance of the historical average. The high temperatures of July and August, while blocking the daytime physiological activity, did not slow down the maturation of the grapes, which occurred earlier than the norm. A vintage characterized by extremely high temperatures and low rainfall during the season. The acidity has been in sharp decline with less fresh but softer and rounder wines. Precisely for this reason it has been an excellent year for the symbolic wines of the Valpolicella which have their most characteristic aspects in softness, roundness and elegance.
